From

The Deputy Commissioner Kadur District

Letter No 345 Dt 15th February 1908

The temple of the Sri Narasimha devaru is a Muzrai institution endowed with certain inam lands As it was in a dilapidated condition the Ex Engineer was requested to submit an Estimate thereof He accordingly submitted an Estimate for Rs 1756/- for repairing the temple The Deputy Commr inspected the temple and found that the institution was a small one if not much importance and that it was not desirable to spend such a large sum of money on it The Estimate was reduced to Rs 500/-

File No. of Muzrai Secretariat.

Omalur, the Asst for the reconstruction of the tiled roof over the temple. The devotees interested in the temple have contributed a sum of Rs 176/- towards the temple repairs and they have further promised to contribute a sum of Rs 150/- more for the work. The former amount has been recovered and deposited in the Govt Savings Bank. The Dy. Insty Commr has submitted for sanction an Estimate for Rs 500/- for repairing the temple. He recommends that as more than the moiety of the estimated cost of the repairs has been contributed by the devotees the balance of Rs 174/- required to make up the total cost of the estimate viz Rs 500/- may be sanctioned from the State Grant of the current Fasli year.

The balance of the current year's State Grant is Rs 800 nearly.

Submitted with a draft sanctioning the Estimate.

The draft may, it is submitted, be approved.

Office of the Deputy Commissioner,

Kadur District

Dated 5th February 1908

From

K. R. Srinivasa Iyengar, Esquire, M.A.,

Deputy Commissioner,

Kadur District.

To

L. Anantasami Rao, Esquire, B. A.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Muzrai Department.

Sir,

In submitting herewith, a file of correspondence relating to the repair of the Sri Narasimhaderaru Temple at Narasipur in the Yedehalli Sub-Taluk, I have the honor to state that this Temple is a Muzrai Institution endowed with the marginally noted inam lands assessed at Rs. 47/-

Village	S. No.	Description	A. Gr.
Bale	47	Garden	0-9
		Wet	15-9
	48	Dry	1-35
		Total ..	17-13

The villagers having prayed for the repair

repair of the temple, the Executive Engineer was requested to have an estimate prepared for the work. He accordingly forwarded an estimate prepared by the Assistant Engineer at Korpa for Rs. 1756.

2. I inspected the temple in question on the 27th ultimo during the Jamabandi of the Sub-Taluk and found that the institution was a small one of not much importance and that it was not advisable for the Government to spend a large sum of money on it. I have accordingly got the estimate reduced to Rs. 500/-, by omitting the provision made in the Assistant Engineer's estimate for the reconstruction of the tiled-roofing over the temple with Mangalore tiles. The villagers interested in the temple

stated

stated before me that they will be satis-
-fied, if the main Temple is put in
thorough repair according to the reduced
estimate and that they will repair the
present Tiled roof at their own cost,
after the main building is completed.

3. Out of the sum of Rs 500/-
required for the work according to
the estimate, a sum of Rs. 176/- has
already been contributed by the devotees
and is deposited in the Savings Bank
and they have promised to contribute
a sum of Rs 150/- more for the work.
This leaves only, a sum of Rs. 174/-
to be sanctioned from State Funds for
the repair of the Temple.

4 Under these circumstances,
I beg to request that the estimate
for Rs 500/- herewith submitted may
be-

be kindly sanctioned and that, after deducting thereon the amount promised by the devotees, the remaining amount, viz., Rs. 174/-, may be ordered to be met out of the State Grant, of the current official year.

I have the honor to be,

sir,

your most obedient servant,

D Srinivasamurthy

Asst/for Deputy Commissioner

Kadur District

Inspection note of Sri Narasimhaswamy Devaru Temple building of Narasipur village, Balehonnur Hobli, Yedehalli Sub-Taluk.

—

Inspected the Temple building on the morning of the 27th instant. It is a small Temple with country tiled roofing and is supported by jungle wood reepers, rafters and beams.

The main part or Garbhagudi which is built of stone slabs, is sunk and is leaning on one side. It is this part of the building that is in urgent need of repairs.

The total amount of estimate as prepared by the Assistant Engineer, Kolar, amounts to Rs. 1,756. A greater portion of this sum viz. Rs. 1,121 is allotted for providing Mangalore tiled roofing with teak wood couples, to be supported by Kadur slab posts.

This item of work may be omitted from the Estimate, as the present country
